- **Sally Romero** - *Washington State Bar Association, Seattle*

9:00 a.m. > Thinking Through the Legal Issues with Emerging and Important Trends in Crypto

60 minutes, 1.0 credits L&LP

This session will cover the status of lawmaking, regulation and oversight, and recent jurisprudence in the blockchain and cryptocurrency space to-date in 2026. Drawing on a long history of representing most of the primary participants in this industry, Joe and Gabe will share stories from the trenches—drawing from the “early days” of crypto and real-world situations, to the most recent issues in play today—to provide an overview of the most current regulatory scheme affecting companies operating in this space, and discuss the latest trends in the market, along with some of the most important legal issues still undecided at this time.

- **Joseph Cutler** - *Ashurst Perkins Coie Group, Seattle*
- **Gabe Khoury** - *Ashurst Perkins Coie Group, Washington, DC*

10:00 a.m. > Tokenizing Professional Sports Franchises and Real-World Assets

60 minutes, 1.0 credits L&LP

The legacy ownership model for professional sports franchises has long been the exclusive province of wealthy and well-connected investors. Tokenization seeks to transform that. In this session, a comprehensive overview will be provided regarding (i) tokenizing various asset classes, (ii) what constitutes Real-World Assets (RWAs) as well as (iii) the benefits tokenization of professional sports franchises offers to fans, owners, players and sponsors.

- **David Otto** - *Martin Davis PLLC, Seattle*
