IN-PERSON & WEBCAST

DESCRIPTION

Presented in partnership with the WSBA Creditor Debtor Rights Section

This program provides a practical, full-day introduction to receivership practice under Washington's Receivership Act (RCW Ch. 7.60). The program covers the fundamentals — appointment, the general versus custodial receiver distinction, and a receiver's powers and compensation — then turns to the issues that make receiverships complex: real estate and title issues, sales free and clear of liens, litigation and the automatic stay, and the interface with federal bankruptcy. The day closes with a panel of experienced receivers sharing practical insights from their work. Attendees will come away with a solid, practical grounding in Washington receivership practice.
